

# fp15 Brushstrokes Scarf Designed by Laura Bryant ©2013

**One Size:** approx 5" x 60" exclusive of fringe

**Materials:**

2 Prism Symphony (1 each A & B)  
1 Prism Plumette (C)  
Needles size 10 & 13 or size to get gauge

**Gauge:** in garter stitch on # 10 needle,  
14 sts & 28 rows = 4"

**Note:** it is extremely important that both cast-on and bind-off be very loose or scarf will not drape properly. Edges should be as loose as the knitting itself. Cast on over 2 large needles or experiment with very large (size 17) needles if necessary. It is easier to get the proper cast-on using the knitted cast-on method rather than long-tail.

**Scarf:**

With A and larger needles, CO 200 sts. Change to smaller needles and knit every row, alternating 1 row A, 1 row B, 1 row C **and at the same time**, at the end of **every row**, cut working yarn and attach new yarn, leaving 8" tails. Work to approx 5" from cast-on. BO with A or B and larger needle. Clip fringe evenly.

*What is more fun than stripes, stripes & more stripes!  
Our lush scarves are worked in simple garter stitch, allowing the beauty of texture and color to really shine. Scarves are worked lengthwise in 1 row stripes to best highlight Prism's long, clear colors. Fringe is made as you work. One skein of plush Plumette is paired with two skeins of Symphony for unparalleled luxury. Single rows of multiple color-ways provide the lovely blending of colors, while the nap of Plumette blurs everything in a lovely watercolor tapestry.*

*Below left, top:*

*Mocha Plumette, Kilimanjaro & Denali Symphony*

*Below left, far left:*

*Tahoe Plumette, Embers & Plum Dandy Symphony*

*Middle:*

*Arroyo Plumette, Orchard & Plumberry Symphony*

*Right:*

*Lapis Plumette, Lichen & Blue Lagoon Symphony*

*Below right:*

*Highlands Plumette, Highlands & Orchid Symphony*
