

SP6A Yoked Cardi

Long sleeved or short, your choice. 1 Stuff plus Lotus (far left) or Bon Bon (near left).

Shown in Smoke with Storm Lotus Mojave with 312 Bon Bon

We enjoyed the retro funkiness of hanging beads on the tails. Equally stunning if you bring the tails to the wrong side.

SP6B Openwork Wrap/Scarf (near right)

Great lacy wrap uses 1 Stuff only. Shown in Tumbleweed.

SP6C Slouch Top (far right)

Loosely knit on large needles, features an openwork panel at neckline in a complementary yarn.

Shown in Gelato with Manhattan.

SP6D Teddy (far left)

Touchable Teddy in Cabernet Neat Stuff with Angora accents.

SP6E Stuff Top and Clutch (left)

Asymmetrical top supported with purchased bra or swimsuit; top doubles as a swim top when paired with suit bottoms. Funky little clutch works right along with it. Both shown in Tahoe.
