6402 Calla Shawl

One simple skein of Saki becomes this fabulous shawl with long, twirled front edges and optional beading. Simple to make, this is a great beginner's lace project.

6403 Maidenhair Wrap

One simple skein of Delicato, our new lace-weight Tencel, whips up into this lovely lace rectangle. With superior drape, Delicato can't be beat.

6404 Foxy Cowl

We could call this our 1 + 1 cowl: one half skein of Stuff trimmed with one skein of Plume adds up to way more than the sum of its parts! Worked circularly, with minimal shaping.
