Brigitte's surprisingly simple jacket has tons of punch: from the deeply fluted ribs that impart a wonderful swing shape, to the impact of Gradient Grape colors marching up the jacket, to the bright accent of green framing the entire picture. Pick your favorite Gradient, find a great accent color and go!

9002 Peppermint Smoke Wrap & Cowl Designed by Laura Bryant ©2017

One size approx. 24" x 76"

Materials:

- 1 Prism Gradient Gray pack Merino Mia
- 1 Prism Gradient Fuchsia pack Merino Mia
- Needles size US 5 or size to get gauge
- 40 st markers

Electric Fuchsia pops against a wall of Charcoal Gray, fanning the flames of our Peppermint Smoke. Two gradient packs move in concert from darkest to lightest shades, with Fuchsia exchanging with Gray via a series of Fibonacci stripes. Add a tiny "Heartbeat" mini chevron for extra visual and knitting interest. There's even enough yarn left for our yummy gradient cowl!

An ultra-feminine pattern stitch lends itself to a little surprising geometry: subtle gradations of Mallard sweep up the body to be punctuated with more quickly moving bands of the same gradations. The strong vertical stripes add a slimming touch, and the neat little neckline miter is a nice finishing touch. Sizing is achieved through differently sized borders and side gussets.
